The approval of the Architectural Review Committee of any Structure or Alterations shall in no way be deemed to relieve the Record Owner of any Lot from its obligation to obtain any and all permits and approvals necessary for such Structure or Alterations.

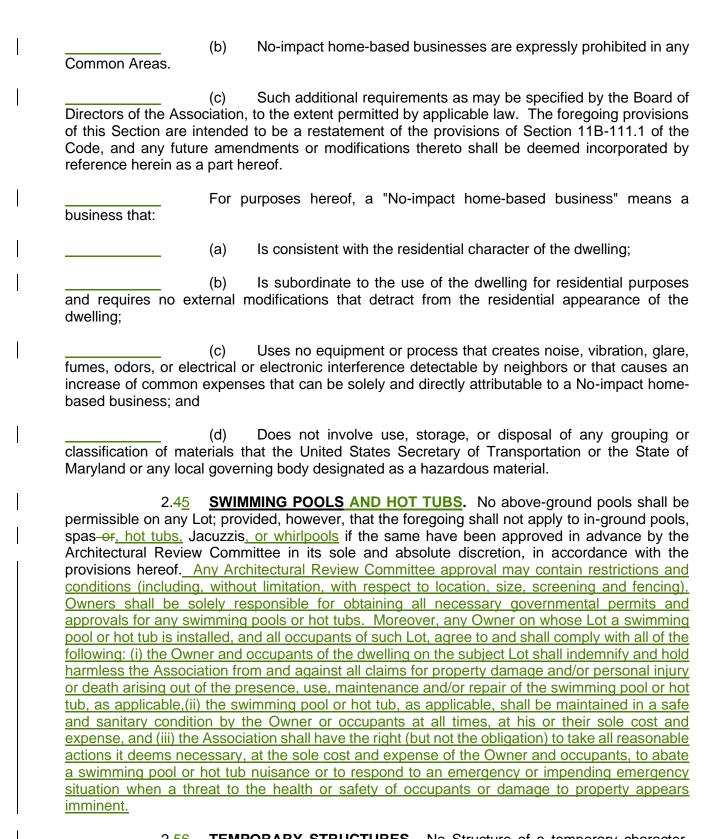

- (b) The Architectural Review Committee shall consider applications for approval of plans and specifications upon the basis of conformity with this Amended and Restated Declaration, applicable law and the design guidelines, if any, and shall be guided by the extent to which such proposal will insure conformity and harmony in exterior design and appearance, based upon, among other things, the following factors: the quality of workmanship; nature and durability of materials; harmony of external design with existing structures; choice of colors; changes in topography, grade elevations and/or drainage; the ability of the party or parties designated by the Record Owner to complete the Structure or Alterations proposed in accordance with this Amended and Restated Declaration, including, without limiting the foregoing, factors of public health and safety; the effect of the proposed Structure or Alterations on the use, enjoyment and value of other neighboring properties, and/or on the outlook or view from adjacent or neighboring properties; and the suitability of the proposed Structure or Alterations with the general aesthetic appearance of the surrounding area.

Such assessments or charges, together with interest at a rate of eighteen percent (18%) per annum (unless such rate of interest is not legally allowable in which event the highest rate permitted by law shall be applicable), and costs and reasonable attorneys' fees incurred or expended by the Association in the collection thereof, shall also be the personal obligation of the Record Owner holding title to any Lot at the time when the assessment fell due or was payable. In the event any Record Owner or other payor pays any assessments or any other monies due to the Association or its agents by electronic means and/or by credit card, the payor agrees to be responsible for the payment of any reasonable and customary convenience fees that arise out of such a payment.

**USE OF ASSESSMENTS**. The assessments and charges levied by the 8.2 Association shall be used exclusively for the purpose of promoting the recreation, health, safety, and welfare of the residents of the Community, and in particular for (a) the improvement and maintenance, operation, care, services and facilities related to the use and enjoyment of the Common Areas, including fees paid to any management agent; (b) the payment of taxes on the Common Areas (except to the extent that proportionate shares of such public charges and assessments on the Common Areas may be levied against all Lots laid out on the Property by the tax collecting authority so that the same is payable directly by the Record Owners thereof, in the same manner as real property taxes are assessed or assessable against the Lots); (c) the payment of insurance premiums on the Common Areas; (d) the costs of repair, replacement and additions to the Common Areas and improvements thereon; (e) the cost of obtaining, planting and thereafter maintaining street trees throughout the Community if required by the County, whether or not such street trees are located in the Common Areas; (f) the costs of utilities and other services which may be provided by the Association for the Community as may be approved from time to time by a majority of the members of the Association; (g) the cost of labor, equipment, insurance, materials, management and supervision incurred or expended in performing all of the foregoing; (h) the costs related to any storm water management facilities within the Community

#### 8.6 **DUTIES OF THE BOARD OF DIRECTORS.**

- (a) Commencing with the first fiscal year of the Association, the Board of Directors shall determine the amount of the maintenance assessments annually, but may do so at more frequent intervals should circumstances so require. Upon resolution of the Board of Directors, installments of Annual Assessments may be levied and collected on a monthly, quarterly or semi-annual basis rather than on the annual basis herein above provided for. Any member may prepay one or more installments of any maintenance assessment levied by the Association, without premium or penalty.
- The Board of Directors shall prepare, or cause the preparation of an annual operating budget for the Association, which shall provide, without limitation, for the management, operation and maintenance of the Common Areas. The Board of Directors of the Association shall make reasonable efforts to fix the amount of the annual maintenance assessment against each Lot for each assessment period at least thirty (30) days in advance of the beginning of such period and shall, at that time, prepare a roster of the Lots and the annual maintenance assessments applicable thereto which shall be kept in the office of the Association and shall be open to inspection by any Record Owner upon reasonable notice to the Board of Directors. Written notice of the annual maintenance assessments shall thereupon be sent to all members of the Association. The omission by the Board of Directors, before the expiration of any assessment period, to fix the amount of the annual maintenance assessment hereunder for that or the next period, shall not be deemed a waiver or modification in any respect of the provisions of this Article or a release of any member from the obligation to pay the annual maintenance assessment, or any installment thereof, for that or any subsequent assessment period; but the annual maintenance assessment fixed for the preceding period shall continue until a new maintenance assessment is fixed. The budget and assessments shall become effective unless a special meeting of the Association is duly held and at such special meeting the budget and the assessments are disapproved by at least a majority of the Class A members Members of the Association. No member may exempt itself from liability for maintenance assessments by abandonment of any Lot owned by such member or by the abandonment of such member's right to the use and enjoyment of the Common Areas.
- (c) The Association shall, upon demand at any time, furnish to any Record Owner liable for assessment a certificate in writing signed by an officer of the Association setting forth whether said assessment has been paid. Such certificate shall be conclusive evidence of payment of any assessment therein stated as having been paid. A charge not to exceed ten dollars (\$10.00) may be levied in advance by the Association for each certificate so delivered.
- 8.7 <u>ADDITIONAL ASSESSMENTS</u>. Additional assessments may be fixed against any Lot only as provided for in this <u>Amended and Restated</u> Declaration. Any such assessments shall be due as provided by the Board of Directors in making any such assessment.
- 8.8 **NONPAYMENT OF ASSESSMENT.** Any assessment or portion thereof not paid within thirty (30) days after the due date thereof shall be delinquent and shall bear interest from the date of delinquency at the rate of eighteen percent (18%) per annum (unless such rate of interest is not legally allowable in which event the highest rate permitted by law shall be applicable), and shall be subject to a late charge of Fifteen Dollars (\$15.00) or ten percent (10%) of the assessment, whichever is greater, and shall be subject to any collection costs, and attorneys' fees for the collection thereof in an amount not less than twenty percent (20%) of and

all outstanding assessments and charges (including, in addition, those collection costs and attorneys' fees incurred post-judgment in enforcing and collecting a judgment). Further, the Association shall have the right to declare the entire balance of the assessment and accrued interest thereon to be immediately due and payable. The Association may bring an action at law against the Record Owner personally obligated to pay the same, and/or without waiving any other right, at equity to foreclose the lien against the Lot in the same manner and subject to the same requirements as are specified by the law of Maryland for the foreclosure of mortgages or deeds of trust containing a power of sale or an assent to a decree, and there shall be added to the amount of such assessment the reasonable costs of preparing and filing the complaint of such action, and in the event that judgment is obtained, such judgment shall include interest on the assessment as above provided, late fees and reasonable attorneys' fees to be fixed by the court together with the cost of the action. No Record Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Areas or abandonment of such Record Owner's Lot.

The Owner's consent and financial responsibility for said fees or amounts shall continue until payment in full of all amounts owed under the Amended and Restated Declaration is received and shall also survive any statement of lien or judgment. All of such fees shall be considered an Additional Assessment.

Additionally, should any management agent/property management company charge for setting up a new file for an Owner or charge a fee to refer an Owner to an attorney, this shall be considered an Additional Assessment.

- 8.9 <u>SUBORDINATION OF LIEN TO MORTGAGE</u>. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage(s) or deed(s) of trust now or hereafter placed upon the Lot subject to assessment; provided, however, that the sale or transfer of any Lot pursuant to mortgage or deed of trust foreclosure, or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. Such sale or transfer shall not relieve such Lot from liability for any assessments thereafter becoming due, nor from the lien of any such future assessment.
- 8.10 **ENFORCEMENT OF LIEN.** The Association may establish and enforce the lien for any assessment, Annual, Special, or otherwise, pursuant to the provisions of the Maryland Contract Lien Act. - 8.11 **EXEMPT PROPERTY.** The Common Areas and all Lots owned by the Association or dedicated to and accepted by a public authority and all property owned by a charitable or non-profit organization exempt from taxation by the laws of the State of Maryland shall be exempt from the assessments created herein; provided, however, any Lot used for residential purposes shall be subject to assessment.

If any Mortgagee does not permit insurance proceeds to be used to restore any damaged or destroyed improvements, then the Record Owner of such Lot shall raze the improvements and return the Lot to its natural condition free of all debris.
- (b) If any Record Owner of an improved Lot fails to maintain the insurance required by Section 9.5 of this Article, the Association may, but shall not be obligated to, obtain such insurance and pay any premiums required in connection with obtaining such insurance. Such Record Owner shall be personally liable to the Association for any costs incurred by the Association in obtaining such insurance, to the same extent as such Record Owner is liable for assessments levied against its Lot, and, upon the failure of the Record Owner to pay such costs within ten (10) days after such Record Owner's receipt of a written demand therefor from the Association, the Association may establish a lien therefor upon the Record Owner's Lot in accordance with and subject to the provisions of this <a href="mailto:Amended and Restated">Amended and Restated</a> Declaration applicable to an assessment lien.
